COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner For Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

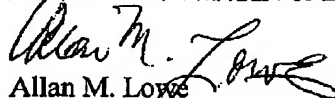

In response to the Examiner's Statement of Reasons for Allowance on page 2 of the Notice of Allowability mailed January 26, 2005, Applicant notes that in claim 1, the limitation "...at least one heat radiation conductor which is provided on at least one face different from the one face of the laminated chip..." is described. The phrase the one face is "one face" in the element "first electrode."

Hence, none of the claims are directed to "the other face" as indicated by the Examiner. Accordingly, the claims are not to be limited in a manner consistent with the scope of the Examiner's statement. Applicant requests issuance of a new accurate Statement of Reasons for Allowance.

Applicant hereby authorizes the Commissioner to charge any required fees not otherwise paid to Deposit Account No. 07-1337.

Respectfully submitted,
